Dedication

The Class of 2012 would like to dedicate their yearbook to Mrs. Mandy Vasil.

Mrs. Vasil has been with us every step of the way this year. From attending fundraisers, programs, competitions, and even coaching the lacrosse team, she has been there through it all. We would like to thank Mrs. Vasil for all the support she has given us throughout our senior year. Although our class may be gone from the halls of MHS, we know that Mrs. Vasil will always be one of the staff members who will welcome us back with a warm smile. We thank you for everything you have done for us during our time here at MHS and wish you the best of luck next year and in the future. Thank you for your commitment to the class of 2012!

A Special Thanks to our Class Officers & Class Advisors!

Girls' Soccer

With such high expectations to fulfill this season, the Girls' Varsity Soccer Team did not fall short. This group of young and talented players being a close-knit family helped make the season memorable. Having all eight seniors named captains, the team ended their season with a winning record, both for SWCL and the regular season. Although they fell short against their rivals, Auburn, in the District Semi-Finals, the team had a huge victory during the quarter-finals of Districts. The girls had four girls named SWCL All Stars: Meaghan O'Leary, Audrey Schmidt, Murphy Ronan and Emily Nasuti. In addition, Nasuti reached a personal achievement and broke the records for most goals, assists, and scoring the most all around points in Millbury High School history. The eight seniors whom have played together since Pee-Wees will be greatly missed. Best of luck to those graduating seniors as well as the returning players.

Boys' Soccer

This year the boys' varsity soccer team had a very successful season. The seniors worked together as a team as they battled some tough opponents. The guys did very well in the regular season. Then they started off well in the Districts where they beat Holy Name. Unfortunately, in the next game against Tynsboro they were not victorious. The Woolies were up 2-0 at half time and they were hoping to hang on to their lead. Though they tried their hardest, the final score was a 3-2 loss. It was like re-living a bad memory since the team lost their last game in a similar way the previous year. Hopefully next year the team can break their streak of losing in the Districts and make it to the States.

Volleyball

After losing 12 seniors last year, the 4 returning players were worried that this season would be labeled a "rebuilding" year. That prediction couldn't have been farther from the truth. During the course of the season the team would go on to beat many long time rivals such as Shepard Hill, Blackstone Valley Tech, and above all, Sutton. The four returning players meshed nicely with the newcomers. The team's record of 15-5 only begins to reflect the hard work and commitment put in by each member of the team. Next year the girls plan to pick up right where they left off, for the only place they can go is up.The team grew together over the course of the season and will continue to do that in the fall.

Golf

The golf team had a decent season after losing two crucial seniors last year. All of the players worked hard during each and every match. Even many of the younger players stepped up to surprise everyone. Behind the leadership of Brandon Moseley and Zack Nash, the Woolies came within one point of qualifying for districts. This was a great disappointment because of all of their hard work throughout the course of the season. The team did well at the SWCL tournament, but the highlight was 8th grader Ryan Ward's 84, landing him tied for 6th place overall. This young team plans to continue to improve in the coming years and hopefully achieve an even better record. Good luck to the graduating seniors!

Girls' Cross Country

The girls had yet another great season this year. The team lost a few seniors last year, but they more than made up for it with all of the great new talent this season! This young team made great strides, suprising competitors and even themselves. They continued to improve through exhausting practices starting right after the 4th of July road race! Countless trips to Sutton helped build up the team's endurance, while Coach DiGangi welcomed the newest addition to his family. The girls grew closer and closer as the season continued on, finding a new drive behind every turn. The future looks really bright for this young bunch of ladies, good luck and have fun girls! Kill the hills!

Boys' Cross Country

Like every team, the boys' cross country team had their ups and downs, but overall it was a good season. Everyone worked hard and as a result, got their share of wins. This young team was thrilled that they were able to qualify for districts. The district team included: Cameron Graves (Sr.), Jake Porter (Fr.), Mike Morley (Fr.), Christian Bourgeouis (8), Christian Lopez (8), and Devon Neuhaus (8). So other than their captain, the team had a strong underclass showing. Another highlighlight of the season was when Cameron Graves moved on to States after the district meet. Good luck to the team in the future. They have a lot of young talent. If you stick with it, you guys will be great!

Fall Cheerleading

This season started off late with another new coach. The team wasn't sure what to expect but pulled together and worked hard day after day. There were some very long days and practices from noon to 8:00 at night, but it was all worth it in the end. The team pushed past SWCL and on to Regionals. With an outstanding performance at Regionals, the girls moved on to States. Although the team faced many bumps in the road, they became so close as a family, working towards a common goal. The fall 2011 cheerleading team was the first huge step in earning a national bid once again. Congratulations to all of the girls for a job well done!

Football

This season didn't turn out exacly as expected, but there were many positives for the Varsity Football Team. Many players got their first experience at the varsity level and many will be returning for another season or even two. The Woolies were a tough team this year that fought to the end of every game no matter what the score was. The highlight of the season was the 16-12 win on Thanksgiving against the favored Grafton Indians. This victory made it the 12th straight win on Thanksgiving against Grafton. Although it was a tough season, the Woolies went out with a bang, ending with a win and continuing their winning tradition on Thanksgiving. Hopefully next year the team will be able to do the same.

Girls' Basketball

The Lady Woolies basketball team is a family. They win together and lose together. As a young team, a lot of pressure was put on the under classmen, who never let the others down. The girls had the most fun at practice and made memories only a Lady Woolie could understand. As a team this year the girls were not really veiwed as a threat because they lost so many key players who graduated the year before. The team put in a lot of work in the off season to bring the same intensity as previous years. The girls worked hard to make people realize that Millbury is here and they never left. Hopefully next year the girls can end their season with an even better record.

Boys' Basketball

The boys basketball team had a rough season but fought hard each and every game. They practiced and strived to perform as best they could to give an outstanding effort everyday. While getting off to a rough start, the boys kept their heads held high and gave it their all. As the wins and losses didn't go as they had hoped, a great sense of unity and family were strongly developed among the players. The boys had a very memorable season. A special thanks to all the boys on the team and good luck next year to the returning players.

Girls' Indoor Track

With a different coach each year for the past four years, the management of the indoor team has been anything but stable. However, the girls have continued to thrive and regularly win dual meets. The future looks quite promising for the team as they continue to grow and have a lot of new talent join them each year. As Coaches Settle, May and Blunt learned of the talent within the team, the girls even began to surprise themselves with new personal records. Over all it was a great season for the Lady Woolies as they continued to turn heads. The future of the team certainly looks bright. Although the seniors won't miss being trapped at Northbridge or Tantasqua for hours, they will certainly miss their teammates!

Boys' Indoor Track

Over the past few years, the boys track team has decreased in numbers, but not in heart. This year there were some standout members on the team who really excelled. Nick Bernard dominated in the 600, and Cam Graves pulled consistent numbers in the 1 mile. Bryan Dufresne and Mike Miller led the throwing team to a solid season and Joe Lucier went undefeated in SWCL for the high jump. Although the lack of numbers hindered weekly victories, the team kept its pride and passed on the Woolie spirit to its younger members.

Winter Cheerleading

The winter cheerleading team started off with a new team from the fall season. This is the usual since some of the girls leave to play another winter sport or start fresh since their previous fall sport is now over. The team cheered for the girls' and boys' basketball teams to show their support. At first, the girls were concerned about their routine since it always needs a lot of reworking in the beginning to compensate for the gained and lost girls. The team decided to learn all new choreography. After weeks of practice they were finally ready for competition. With an amazing performance, the teamed walked off the mat as SWCL champs. Then they moved on to the Regionals where they also had an outstanding performance. This was only the second time in Millbury history that the cheerleaders were named SWCL champs. Congratulations on a great season girls!

Girls' Track

It was a history-making season for the girls this spring! Not only were they undefeated SWCL Champions for the second year in a row, but they also went on to win Districts for the first time since 1980. The team had a wide variety of talent spread across the events this year. Older team members continued to excel while new talent also came out this season. Through lots of hard work and determination, the girls made their school and coaches extremely proud. The team grew especially close during this great season, even getting to meet new members of their coaches' families. All in all it was a great time that will never be forgotten! Hopefully the team can continue their success next year. Good luck!

Boys' Track

Cameron Graves took control in the mile. Joe Lucier got 2nd place in school history in triple jump and dominated in the 110m hurdles. Bryan Dufresne rose the bar in shotput. Nick Bernard was spectacular in the 400. Bobby Boire was amazing in long jump, javelin, 100m dash, and 200m dash. Cam Graves, Joe Lucier, and Nick Bernard took Rhett Champagne to the All-Class meet in the 4x400 meter relay and challenged the school record. Zack Nash finished his 6th year of 110m hurdles. Mike Miller continually improved his results in all throwing events. Overall, it was a great season. The seniors would like to thank the team and the coaches. Good luck next year!

Softball

Although the girls had a rough season with only a handful of wins, the future looks bright for this young softball team. With only one graduating senior, Kristin Bullett, the team will field thirteen returning players next year. Hopefully they have gained some valuable experience after playing this year and in previous years. While the girls suffered some pretty tough losses throughout the season, they always managed to play well and build on skills and spirit to keep them together. This definitely helped them during the tough times. In the years to come, the young team will grow together and achieve success as long as they keep working hard and remain positive. Good luck to Kristin; the team will miss you!

Baseball

With a new coach this spring, the team did not know what to expect. There was not much experience on the team as eight seniors graduated last year, but many new people stepped up and had a great season. The boys battled hard every inning even if the score did not reflect it. A lot of people did not think this team would win many games, but they shocked everyone by missing districts by only two games. The team battled through numerous injuries and a lot of tough plays. All in all, the baseball team had a great spring and made a lot of memories. Maybe next year the younger players can even make it to districts. We will miss you: Luke, Kevin, Justin and Mike!

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."
-John Quincy Adams

Alex, to tell you that we are proud of you, is an understatement. No matter how far away you go, you will always be in our thoughts, prayers & in our hearts. Go where your dreams take you, be true to yourself, and never stop inspiring others. We love you, & know that you will acheive great things.

Love, Mom, Jim, Erich & Jake

Kaybear-
You are amazing! Your dedication, determination and drive have brought you to the beginning of your goals.
Your love, compassion, kindness and sense of humor will make achieving beyond them WONDERFUL! I love you so much!!
Mommy

Congrats
Stephanie Chartier!

We are so proud of you!
Dream big and always reach for the stars.

Kyle,
As you graduate and continue on your journey, we want you to know that you have given us so many proud and happy moments. Always reach for the stars and continue to "PERSEVERE" into the next phase of your life. Remember, we will always be here to love and support you.
Love, Mom, Dad and Tony

Bryan,

We are so proud of your MHS accomplishments. Your College/ROTC plans only assure us that your future is unlimited.

We can't believe eighteen years have gone by so quickly. You have grown into an amazing young man. As you begin your new journey always remember to never settle for less then what you deserve and never give less then what's expected. We know you will achieve all you set out to accomplish and will continue to make us proud.
We love you Bud!!
Love,
Mom, Dad,
Victoria & Brittany

Brian,
I remember when you were three and I took you to play miniature golf. You kept getting a hole in one. We should have known then that sports would be a part of your life.
Now as you are about to graduate from High School and enter College you are starting a new journey in your life.
Dream big and reach for the stars because you can accomplish whatever you want to do in life.
I am so proud to call you Grandson.
Good luck in College.
Love Gram

Brian,
You became a very special Grandson when you were young and thinking of unique ways to entertain the family. As you matured it was obvious that your athletic abilities were well above average and you could usually be found with a ball in your hands. Make your way in life as you follow your dreams ~
College bound and ready to go.
I love you,
Meme

Brian,
From a little boy only wearing khakis, to a young man wearing a cap and gown. Where has the time gone?
We hope that you succeed in all your goals throughout your journey in life.
We love you,
Auntie Tanya & Uncle Ryan

Dear Brian,
Since you were born you have filled our lives with joy and laughter. We have been blessed with a very talented Grandson in both academics and sports. Over the years we have enjoyed watching your games and cheering you on. We have watched you become a young man with beautiful blue eyes and a great smile who's now ready to start a new chapter in his life. We are very proud of what you have accomplished. Good luck at UNH.
Remember to aim for the sky, because we know the world is yours.
We love you Brian.
Love,
Grandma & Grandpa

Brian,
Be courageous, strong and kind. Always dare to dream the Impossible and remember Always continue to maximize your potential for the greater good.
GOOD JOB!
Love,
Uncle, Auntie Vicki & Erika
